"Our students LOVED the program and were excited to earn certificates. As a teacher, I was impressed with the student interaction component of the program and the well-planned sequence of student learning activities. EVERY student that used BrightFish Reading during the summer reading program had a POSITIVE growth score."

# how it WORKS

## 1 Construct content and build skills

Fiction and nonfiction passages are assigned to a grade level by Lexile® measure and broken down into manageable chunks.

### Fluency

### Vocabulary

### Comprehension

Students develop word and phrase fluency—fast and accurate.

Direct instruction and practice build contextual understanding.

Activities tap knowledge and critical thinking skills while increasing confidence with online testing.

## 2 Practice, motivate, improve

Constructive feedback provides instructional support while gaming techniques and point-based rewards ensure students to stay motivated to read and improve.
