### Hiking Adventure

Yesterday I went hiking with my mom. We climbed a huge mountain. When we got to a clearing we had a picnic. All of a sudden we heard a noise in the bushes. I yelled "bear!" and blew my whistle. Mom made me wear a whistle. She says loud sounds scare bears.

Mom grabbed my arm and told me to be quiet. We both sat very still and stared at the bushes. And we waited. I was so sure a huge bear was hiding behind them. Then the bushes moved some more. And sure enough a furry paw came through. I blew my whistle again. I don't think that rabbit will be coming back.
