Comprehension questions for "Life on a Farm"

Score: /8

Read the text for "Life on a Farm" and answer the two questions in the space below. Remember to use capitals, correct spelling and punctuation!

Life on a Farm

Farm life is hard work. There are lots of jobs to do. The cows need to be milked. Each cow waits in a separate stall. After that, there is the hen house. The eggs need to be gathered. The vegetable garden is next. Some vegetables grow below the ground. These are root vegetables. Carrots and onions are root vegetables. Other vegetables grow above the ground. Peas and cabbage grow above the ground. In the orchard the apples are ripe. They need to be picked. The corn also needs to be harvested.

Question 1: Why do you think farm life is hard work?

My Name: _____

Question 2: What is the difference between root vegetables and other kinds? Include examples of root vegetables in your answer.
