### Comprehension questions for "Road Trip"

Score: /8

Read the story "Road Trip" and answer the two questions in the space below. Remember to use capitals, correct spelling and punctuation!

#### Road Trip

I like car trips. I just wish I didn't have to spend the whole time entertaining my parents. If it isn't my dad spying something green with his little eye, it's my mother asking me to count cows. Why cows?

My dad will run out of colors to spy, but he will never run out of games to play. After Eye Spy and Count the Cows it's the License Plate Game. "Morgan, see if you can spot a license plate from each state." Does he even know how many states there are?

I get that my parents get bored on car trips. That's why I pretend to like the games. After a hard week at school what I really need is some time to relax. At least there's one thing I can count on. At some point they will ask me to play my favorite game. It's called Who Can Be Quiet the Longest? I'm not sure why they like that one so much. I'm just happy for the peace and quiet.

**Question 1: Why doesn't the narrator like playing car games?**
